(b) if so, the factors responsible for such losses;

(c) whether Government have permitted HMT to have Joint Venture with any of the foreign companies;

(d) if so, whether the HMT Officers Association have urged the Government to have revival scheme of HMT rather than to permit a Joint Venutre; and

(e) if so, further reaction of Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SHRIMATI KRISHNA SAHI): (a) HMT has incurred losses during 1993-94 and 1994-95.

(b) The factors responsible for losses in HMT include stiff competition, product obsolescence and high overheads.

(c) to (e) The crucial need of HMT is restructuring financial investment and technology upgradation. The basic reason for the poor performance of the company is its inability to compete in the changed business environment in technology, quality, price and marketing. Government has, therefore, approved 'in principle' conversion of individual business groups of HMT into joint venture companies with international partners who may have majority equity share holding, if it is in HMT's interest.
